1.7 ASC DOCUMENT REFERENCE

ASC CAR V2.1, Annex B, Table B, B21 – The individual has had an audit peer witnessed by a qualified ASC lead auditor no less than once in each two (2) year period.

1.8 BACKGROUND (PROVIDE FULL EXPLANATION OF THE ISSUE)

Lead auditor Renato Recalde is assigned to the team for the upcoming initial audits of the 3 affiliated farms listed above during the week of 10 June 2019. SCS has not carried out a witness audit of Mr. Recalde in the last 2 years and will not be able to provide a qualified ASC lead auditor to act in the capacity for this project(s).

Mr. Recalde is a very experienced and well-respected aquaculture auditor across a breadth of species, regions, CABs and standards.

SCS does intend to perform a witness audit of Mr. Recalde at the first subsequent audit proceeding these described here where he’ll be acting as Lead Auditor. Likely in Q3 of 2019 but certainly in this calendar year. SCS does not feel this presents a risk to the quality, rigor or thoroughness of the eventual reports.

1.9 RECOMMENDED ACTION/DECISION

SCS requests that ASC approves variation to requirement and allow Mr. Renato Recalde to act in the role of Lead Auditor without SCS having performed a witness audit in the preceding 2 years.
