SGS Academy Social Systems Lead Auditor Training Course

CQI/IRCA Certificated Course: 17270 - PR 334.

This course is an independently certificated Chartered Quality Institute (CQI) and International Register of Certificated Auditors (IRCA) Training Course - 17270 - PR 334. The objective of each Course is to equip Learners with the knowledge and skills required to perform audits of an organisation’s conformance with social responsibility specifications in accordance with ISO 19011, by interpreting the requirements of the SA 8000 Standard. The course content is developed in line with CQI|IRCA course requirements and if successfully completed, provides delegates with the training required to register as a Social Systems Auditor with the CQI|IRCA.
